

### Week 3: Conversations around Brokenness

#### **Connect.**

- Take a few minutes to catch up! Go around the room and share 3 ways you are grateful this week.

#### **Grow.**

- **Group Discussion Questions**

- How can brokenness be a good thing? How can it enrich your relationship with God?
- How does vulnerability increase your ability to trust God through and in all circumstances?
- Do you have difficult people in your life? How can these people be used by God to strengthen your dependency on Him?
- **Read Psalm 51:17.** What are some benefits of brokenness? How have you or are you seeing it produce Christ-likeness in your life? How would you like to see it produce Christ-likeness in your life?
- Brokenness affords us the ability to walk in humility. Have you seen this in your life?

#### **Pray.**

- Ask God to create humility in your hearts this week. Pray that He will give everyone eyes to see the good that takes place when we embrace brokenness. Ask Him to help you trust Him more.

#### **Next.**

- Who is one person in your life experiencing brokenness? Set aside 5 minutes this week to pray for that person. Then, consider sending them an encouraging text or note!
