

Week 7: Conversation around Design

Day 1:

Scripture Passage: Hebrews 13:21

May he equip you with all you need for doing his will. May he produce in you through the power of Jesus Christ, every good thing that is pleasing to him. All glory to him forever and ever! Amen

- God wants to bring all of us to a place of brokenness in order to make us whole. That's when He can show us our design -- it's all part of His plan to redeem us. What do you need from God to help you carry out His will?
- God is doing an internal work to produce in you every good thing that is pleasing to Him. What desires and attitudes is He producing in your life right now? What is God doing in the lives of the other women in your group?

Challenge:

- Make a list of the ways you are seeing God produce more of Jesus in your life.

Day 2:

Scripture Passage: Romans 8:28

And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them

- You matter and you were made to make a difference. Where you are seeing God work everything together for good in your life? In what situations do you need to ask God to help you trust He is working it all together for good?
- What has been the biggest catalyst for change in your life? How has that made your understanding of the way God designed you more freeing?

Challenge:

- Encourage someone from your group today through a simple phone call, text, or handwritten note.

Day 3:

Scripture Passage: Philippians 4:6-7

Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus

- What are you worried about today?
- How has that distracted or derailed you from living out your design?

Challenge:

- Write down every worry. Pray about each worry, then mark a line through it. Then, spend a few minutes thanking God for all He has done!

Day 4:

Scripture Passage: 2 Corinthians 5:17

This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun

- How is the process of being made new impacting your day today?
- Who in your life has the closest view of the transforming work God is doing in you? Ask them what they are seeing.

Challenge:

- Write out a prayer today thanking God for His work in your life and shaping you to look more like Him.

Day 5:

Scripture Passage: John 16:33

I have told you all this so that you may have peace in me. Here on earth you will have many trials and sorrows. But take heart, because I have overcome the world

- What are you focusing on today? Are you buried in the weeds? How can you adjust your perspective?
- How is God's peace different from the world's peace?
- Are you a person of peace to those around you? How can you exemplify peace in turbulent times? How does that affect your unique design?

Challenge:

- Pray for the women in your group today to be calmed by God's peace and to extend peace to those around them today.
