Group Discussion Questions

- What did you learn regarding calling this past week?
- Have you taken some time to identify your calling? If so, what did you discover? Share with the group.
- Are you currently living out of your calling?
- Consider this: Problems & Needs + Passion = Calling. How have you seen that play out in your life? What problems and needs connect with a passion in your life?
- Calling is really shaped by what God has imparted into our hearts -- what we love, what we despise, what has been a part of our story, and what makes us come alive -- share with the group and take some time to pray together.

Pray.

- Ask God to reveal the needs around you - in your family, workplace, church, and community. Ask Him to show you how He has called you to meet those needs!

Next.

- Stop and make a list at the end of each day this week of all the things that made you most passionate - what need did you see that had you ready to jump into action? Take note of what stirs your passion this week.
