

NEON

Week 2: Neon Sign #2 — God Always Keeps His Word

Connect

Scott shared about eating ribs from Zeb's BBQ, what's one of your absolute favorite places to eat? Do you always get the same thing or do you switch it up?

Grow

1. Read **Exodus 2:1-10**. How does this story illustrate God's provision and grace over Moses' life?
2. Compare the amount of details God gives Abraham (**Genesis 12:1-3**) with the amount He gives Moses (**Exodus 3:1-4:12**). How do their responses differ? How much detail does God have to give until we will trust and obey?
3. Take another look at the back and forth conversation between Moses and God (**Exodus 3:11-4:13**). How many times does Moses make an excuse or doubt God's plan? What does this reveal about Moses' heart?
4. When have you been tempted to make excuses because you doubted God's plan? Why do we do that?
5. Scott said "*Morbid introspection always leads to inaction, driven by fear, and always focused on yourself.*" What fears come up when you feel God calling you to step out of your comfort zone? Which of those are about you and which are about God?
6. Read **Deuteronomy 31:8** and **Matthew 28:20**. What is promised in both of these verses? If you really believe that, then what would you do today? What would you stop doing? What would you risk? Who would you forgive? Who would you be generous to? Who would you tell about Jesus?
7. **Exodus 2:23-25** reminds us that God hears, God sees and God knows. And not only that, but God will take action. How does that encourage you in your life right now?

Pray

Instead of asking God to give you more details or answers about what is going to happen next, ask him to give you more faith to trust Him. That can be a tough prayer to pray but trust His goodness, His faithfulness and His love.

Next

Take one of your answers from Question 6 or 7 and actually step out in faith to do it this week. Where is God calling you to trust His character and His promise to be with you? Share with someone in your group your plan so they can encourage you and hold you accountable.
