

Week 4: Say Yes to Life On Mission

Connect

Share about a time you jumped right into something without considering all the risks involved. How did it pay off? What did you learn?

Grow

Read Luke 19:1-10 NLT

1. Zacchaeus was a broken man seeking Jesus. Describe what was going on in your life when you first started seeking Jesus.
2. Scott said there are two ways Christians get in the way of lost people seeing Jesus:
 - a. *(1) Sinful Lives - Living in a way that is at odds with Scripture.*
 - b. *(2) Silly Legalism- Living in a way that puts external, religious activities above relationship with Jesus.*
3. **Read Luke 19:3b-4.** What distractions or obstacles did Zacchaeus have to overcome to get to Jesus?
4. What distractions in your life could you minimize so that the lost people around you can easily find Jesus?
5. Are you living your life in such a way that people say, "Why do you hang out with people like that?"
6. **Read Luke 19:10.** Jesus' mission statement was simple: he came to seek and save the lost. Have you made that your life's mission statement? If you haven't yet, what's holding you back?
7. What's your why? What's your mission?

Pray

Thank God for sending Jesus to save us from our sin. Pray that we will give the same grace and mercy that He gives us to those around us who need it.
